COVID-19 Information

At the moment, Motorsport UK have only suspended permits to 30th June. Nonetheless, this date may get pushed further into the future, meaning there is a chance we will have to cancel the Baskerville Challenge. We will be monitoring the situation and will provide updates when appropriate.

In the event of the Baskerville Challenge being cancelled, we will give you a 100% refund. Alternatively, if you wish to pay at a later date, put a note at the bottom of the form and we will contact you for payment once we are certain that the event will go ahead.

An online booking form is available here:

https://spanner.wwwlrc.co.uk/rallies/r/2/booking_system/start

IMPORTANT NOTICE

Due to unforeseen circumstances, we are unable to allow for the advanced delivery of trailers or caravans on the weekend before (22nd/23rd) due to the entire Hotel premises being booked for another event that weekend.

The earliest trailers, caravans and other equipment can be dropped off is Monday 24th August.

Any pre-Baskerville camping is also unavailable until Monday 24th August and must be booked directly with the hotel.
